ABOUT M2MBP

OUR PROGRAM

01

CPMA has created the Member to Member Benefit Plan (M2MBP) so as to provide its members with sufficient opportunities and benefits

02

The offers will be provided by our members-organizations and will be addressed exclusively to the member's network of CPMA. The offers will be published on all social media of CPMA as well as on the website of CPMA..

03

The M2MBP Program has resulted from securing exclusive offers and discounts from CPMA member organizations to the CPMA member network

04

CPMA Member-Organizations can participate in the program, providing exclusive offers to all members of the Association, individuals, organizations, and employees of member-organizations (the offer can be addressed to specific member groups if the provider wishes). An organization that is part of M2MBP, and chooses to provide an exclusive offer to all members and employees of member organizations, directly addresses more than 30,000 people.
